2020 M.A.C.A. TOUR! Spreading the Gospel!

2019 has been such an incredible year for us at Self Evident Ministry and it's difficult to find a way to say "thank you" that adequately expresses how grateful we are for all the love and support you've shown us! God opened many new doors for us to minister and see real, lasting change in people's lives throughout this year. As amazing as 2019 was, we are even more excited for where we know God is bringing us in 2020!

Our schedule of events for 2020 is already almost fully booked! It's no secret that this coming year is crucial for the direction of our nation. It is also no secret that Christian and conservative values rarely get presented to young adults and youth in a way that makes them want to adopt those values as their own. This is why we spend so much of our

focus on reaching that demographic! Our focus for 2020 is primarily youth, young adults, and churches. We have seen so much success with young people connecting to Self Evident's message and we are committed to seeing reformation in our nation by continuing down this path.

As of now Massey is booked to speak at 7 educational conventions for youth and parents, and 1 youth conference. These conventions together will reach roughly 8,000 youth, parents, and/or youth leaders. Please note, that we have more events being booked for 2020 on a continual basis. These are simply the highlight events for the year.

With that being said, we want to humbly ask if you would be willing to make a one-time donation to help cover the travel costs involved for these 8 events. ***Having our travel budget covered will help us immensely to launch successfully into 2020.***

The total cost breakdown for travel is below.

Estimated Travel Costs -

- 3 plane tickets (Massey, Cari, and 1 booth worker) = \$900
 - car rental = \$100

Once again, we are so truly grateful for your continued support of our ministry and our family. We have been so in awe of how God has used Self Evident to impact people all over the country and we are humbled that He chose to use us to do it. We have so much for 2020 as a whole and we are so excited to have you as a part of this journey with us! Thank you and Merry Christmas + Happy New Year!
