2025 TESTIMONIES

From a mom at a homeschool convention:

“Massey you were part of God totally changing my son’s direction. He is currently living out what you prophesied over him in 2021.”

From a dad at a homeschool convention:

“I just want to say thank you for what you said to my son, I don’t know what you said, but you finally got through to him, when no one else could.”

From Justin, a student in Missouri:

“I didn’t know Jesus until this class and heard you speak.”

From Pastor Joe in Ohio:

“It was our pleasure having you at our Church! I’ve been getting positive texts from people that were blessed and encouraged by your message!”

2026 VISION

DISCIPLESHIP - SELF GOVERNMENT

We initially anticipated that our mentorship program would already be complete, however, we realized the need to adjust its direction, plan, and goals. As a result, we are now in the process of developing the first phase of this program: a 15-session course on Self-Government.

Teaching our young people the principle of self-government must serve as the foundation for everything in life—including the entirety of this year-long discipleship program. Self-government is, in many ways, a forgotten or neglected principle in our culture. Yet, it is essential not only for personal growth but also for living a thriving life in God and walking in true liberty. This first portion of our mentorship will aim to restore this vital understanding and empower participants to lead themselves with purpose, discipline, and faith.

A New Chapter: Self-Evident Ministries **Expands!**

10 years ago before starting S.E.M., Massey served as Vice President of the **Institute on the Constitution (I.O.T.C.)**, an organization that has been teaching and defending liberty across America for nearly **30 years**. Their passion for truth and education helped lay the foundation for Self-Evident's work today.

From Massey's first I.O.T.C. class in 2006 to teaching those very same courses a year later, the journey has been incredible. Now, in November 2025, after months of prayer and planning with the I.O.T.C. leaders, we're thrilled to announce that **Self-Evident Ministries has officially acquired the Institute on the Constitution!** This exciting step allows us to expand our network, multiply our impact, and reach even more people with the message of faith and freedom.

As we move into this new season, your prayers and support mean more than ever. Together, we're lighting the torch of truth and liberty for the next generation.

Thank you for standing with us — we look forward to growing with you in 2026!
